

CONWAY ROAD MEDICAL PRACTICE

Fees for Non NHS Work

Although the NHS provides its services 'free of charge' there are some aspects of our service that fall outside of the remit of the NHS and therefore we have to charge for these services. Our fees are set out below.

In normal circumstances patients will be informed of the charge when requesting these non NHS services. We ask for **payment on request**, a receipt can be given if required. Payment can be by either cash or cheque payable to 'Conway Road Medical Practice'

Patients booking **medical examinations** – please tell us in good time if you are unable to attend otherwise a fee of £20 will be charged for non- attendance.
